Go Ahead, Explore a new Frontier...
Built upon 34 years of RV experience, K-Z products have earned a time-tested record of excellence.

Whether for a family or a retired couple, these Frontier™ models all share the proven virtues of laminated sidewall construction resulting in lightweight strength and efficient functional designs.
Greater floor space created by this dinette/sofa side slide out is sure to please, as well as large storage drawers under the convertible dinette seating. A fold-out sleeper sofa has a convenient side shelf and recessed open storage compartment. Enjoy bed-time privacy by closing the easy glide screen. Relax in the queen size bed featuring dual side mirrored wardrobes and overhead storage.

2505QSS-F - UWW 5360 - Dry Hitch Wt. 620 - NCC 1620 - Length 26'3"

2605P-F - UWW 5080 - Dry Hitch Wt. 490 - NCC 1920 - Length 27'4"

2803P-F - UWW 5260 - Dry Hitch Wt. 860 - NCC 1740 - Length 29'

2809PQS-F - UWW 5540 - Dry Hitch Wt. 560 - NCC 1460 - Length 28'7"

2802P-F - UWW 5350 - Dry Hitch Wt. 570 - NCC 1650 - Length 29'

2901P-F - UWW 5570 - Dry Hitch Wt. 730 - NCC 1430 - Length 30'11"

- Power Jack
- Stabilizer Jacks (2 or 4)

### 2X2 WARRANTY

The K-Z 2X2 Warranty is a manufacturer's warranty. Each K-Z product is warrantied to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and full structure. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at http://www.kz-rv.com.

### VEHICLE LOADING

Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

### UNLOADED VEHICLE WEIGHT (UVW)

The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-installed accessories.

### CROSS VEHICLE WEIGHT RATING (GVWR)

The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the NCC.

### NET CARRYING CAPACITY (NCC)

The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. K-Z affixes a weight label to each new RV which lists weight information for that vehicle.

**NOTE:** This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.
